

Night of Event Directions

Prior to Illumi-NITING

- Gather Illumi-NITE kits and turn the tea lights on in the luminary bags.
- Read the Nelson Mandela quote below and then say this group prayer together for your recipients.

"Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness, that most frightens us. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine as children do. It's not just in some of us; it is in everyone. And as we let our own lights shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others." –

Nelson Mandela

Dear Lord,
Help us shine our light this holiday season and help us spread joy and kindness uncontrollably. We ask you to bless all those facing adversity. We ask you to bless all the families experiencing a holiday without a loved one. And we ask that you bless these luminaries. Let them bring light to the night and help us to **KEEP GOING**.

Amen.
